

## ABOUT ERRIN

### Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, Caritas International Belgium (CIB) is the contracted service provider for Brazil. CIB works with Projeto Resgate as local service delivery partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.

## ABOUT

**Projeto Resgate Association** was founded in Switzerland in 2006 with the goal of helping victims of human trafficking. The organisation is now registered both in Switzerland and Brazil, and assists people who are living abroad in difficult conditions, by providing a safe return to their country of origin and supporting them in their social and professional reintegration.

**Caritas International Belgium (CIB)** is a non-governmental organisation and works in close cooperation with Projeto Resgate to provide assistance to returnees from the different ERRIN partner countries. CIB has been implementing the national government programme as service provider worldwide in the field of voluntary return since 2007.
