

## ABOUT ERRIN

### Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. ERRIN caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, Caritas International Belgium (CIB) is the contracted service provider for The Gambia. CIB works with Catholic Development Office (Caritas Gambia) as local service delivery partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.

## ABOUT

The Catholic Development Office (CaDO) – or Caritas Gambia – was established in 2001. With its main office in Serrekunda, CaDO implements projects across the country through seven sub-offices and 22 parishes. Its primary activities revolve around health, HIV / AIDS care and support, malaria prevention, water and sanitation, emergency relief, and peace building. CaDO seeks to maximise community capacity building by encouraging local initiatives, in particular those focused on vulnerable groups, including women, youth and children.

Caritas International Belgium (CIB) is a non-governmental organisation and works in close cooperation with Caritas Gambia to provide assistance to returnees from the different ERRIN partner countries. CIB has been implementing the national government programme as service provider worldwide in the field of voluntary return since 2007.
