

ABOUT ERRIN

Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the programme, Caritas International Belgium (CIB) is the contracted service provider for Morocco. CIB works with Fondation Orient-Occident as local service delivery partner to assist returnees, both voluntary and non-voluntary, with the first steps of their reintegration once back home.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with cofinancing from participating national agencies.

ABOUT

Fondation Occident-Orient (FOO) was established in 1994. Its primary activities revolve around work with young people from disadvantaged neighbourhoods and promoting employability by setting up socio-educational and professional training structures. With increasing flows of migrants and refugees, the Foundation has expanded its reach to the field of migration.

Caritas International Belgium is a non-governmental organisation and works in close cooperation with FOO to provide assistance to returnees from the different ERRIN partner countries. CIB has been implementing the national government programme as service provider worldwide in the field of voluntary return since 2007.
