

## ABOUT ERRIN

### *Facilitating a joint approach to the return and reintegration of migrants*

The **European Return and Reintegration Network (ERRIN)** is a consortium of 15 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. The network caters for a wide range of needs, providing counselling, referral, and reintegration assistance for persons returning to their country of origin.

Under the ERRIN-program, OFII (French Office for Immigration and Integration) implements a pilot action. The aim is to assist persons who return voluntarily to Senegal. OFII assists persons during the first year after return, covering each stage of the reintegration process (design and implementation of the reintegration plan).

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies
