

ABOUT ERRIN

Facilitating a joint approach to the return and reintegration of migrants

The **European Return and Reintegration Network (ERRIN)** is a consortium of 16 partner countries which facilitates the return and reintegration of migrants who cannot, or no longer wish to, remain in Europe. ERRIN caters for a wide range of needs, providing counselling, referral, and reintegration assistance for returnees.

Under the programme, the European Technology and Training Centre (ETTC), working with the SMART Centre on the ground, assists persons who return to Syria with their reintegration process.

ERRIN is funded through the European Union Asylum, Migration and Integration Fund (AMIF), with co-financing from participating national agencies.
